## Distributor

### Why choose SDIP, your local Perkins Distributor?

Our primary objective as a Perkins Distributor is to ensure that if you require a Perkins genuine part or your Perkins engine needs a service or repair, that it is completed quickly, efficiently and to the highest standard, first time.

Our relationship with the customer goes way beyond simply selling an engine; we are here to offer a range of services throughout the lifetime of that engine.

Our aim is to provide total customer support, which exceeds your needs and expectations.
